

2018 REFLECTIONS

The things I did that I said I was going to do.....(Please celebrate!)

What I learned about myself in 2018.....

I spent too much time on.....

I didn't spend enough time on....

I still hide in this area in my life.....

New things I tried....

2018 REFLECTIONS

I'm most proud of.....

New things I tried that I'm proud of.....

Brought me joy.....

Stressed me out....

The biggest challenges and what they taught me.....

Defining moments in 2018 and what I learned...

FOR 2019

I want more of.....

I want less of.....

Thank you God for the last year, I ask for the things that I have learned about myself be transformed into confidence, strength and belief in myself. I pray for continued wisdom for the things you are teaching me. I thank you for never leaving my side, and helping to mold me into the person you created me to be. I lift 2019 to you, please help me to discern the people, places, and things that are not good for me and creating space for the people, places, and things that are for my highest and best good.

In Jesus name, AMEN. Amen. Amen.
